Gentlemen:-

Your attention is directed to the fact that an election was held on April 8, 1941, for the annexation of the East Maywood Addition to the City of Maywood, which election showed a majority in favor of said annexation. Therefore the City Council of the City of Maywood did, on April 29, 1941, adopt Ordinance No. 276 approving said annexation, which ordinance was filed with the Secretary of State on May 7, 1941, and the Board of Supervisors of Los Angeles County being subsequently advised, on May 8, 1941, of the filing of said ordinance.

You are advised that all of the territory of this East Maywood Addition to the City of Maywood includes a portion of the Walker Avenue Sewer Maintenance District.

You are further advised that on the 28th day of April, 1930, an agreement was entered into by and between your company and the Walker Avenue Sewer Maintenance District covering the furnishing of water to certain flushing manholes in said sewer maintenance district.

Your attention is further directed to the fact that said agreement was extended on April 13, 1931.

As Flushing Manhole No. 6, which is shown in the original agreement of April 28, 1930, as located on Fifty-ninth place, ninety feet east of east line of Alamo Avenue, is within the newly annexed territory to the City of Maywood,

you are requested and directed to discontinue water service to this flushing manhole No. 6 on and after midnight June 30, 1941. This notice of discontinuance being given under the thirty day discontinuance clause of the extension of the original agreement.

You are therefore directed to bill Walker Avenue Sewer Maintenance District, in care of Los Angeles County Surveyor, 700 Hall of Records, Los Angeles, California, for but three flushing manholes; namely Nos. 2, 3 and 5, on and after midnight June 30, 1941, at the rate specified in said original agreement. The regular monthly bill for this service will therefore be Three Dollars per month subsequent to midnight of June 30, 1941, instead of Four Dollars per month as at the present time.

Maywood Plans New Expansion

Special Election Will
Be Called in Small
Section East of City

Times - 1-3-41

MAYWOOD, Jan. 2.—Proceedings for the city to annex the second section of adjacent territory in the last year are under way, with City Attorney J. Harold Cragin preparing the necessary legal documents.

A special election will be called to afford residents of a small section just outside the eastern city limits an opportunity to indicate whether they desire to be taken into the city.

If the annexation proposal is approved by voters, the city's area will be increased by more than 10 acres, including five acres of a proposed recreational center site recently purchased by the city.

Last May the city's population was swelled by more than 2000 when the section known as West Maywood joined the municipality through annexation proceedings.

There are more than 300 residents in the proposed annexation district, most of whom signed petitions favoring the proposal.
